

snps\_dwc3\_attach

```
graph LR; A[snps_dwc3_attach] --> B[snps_dwc3_reset];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'snps\_dwc3\_attach'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'snps\_dwc3\_reset'.

snps\_dwc3\_reset
