

xhci_configure_msg

```
graph LR; A[xhci_configure_msg] --> B[xhci_configure_reset_endpoint]
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'xhci_configure_msg'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'xhci_configure_reset_endpoint'.
