The diagram illustrates a header file dependency. At the top is a grey box containing the header file path `dev/usb/usb_hub_private.h`. Below it are two white boxes representing source files: `dev/usb/usb_hub.c` on the left and `dev/usb/usb_hub_acpi.c` on the right. Two blue arrows point from each source file box up to the header file box, indicating that both source files include this header file.
