

usbdev\_req\_get\_descriptor\_ptr

```
graph LR; A[usbdev_req_get_descriptor_ptr] --> B[usbdev_get_hr_func]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'usbdev\_req\_get\_descriptor\_ptr'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'usbdev\_get\_hr\_func'.
