

usb_idesc_foreach

```
graph LR; A[usb_idesc_foreach] --> B[usb_desc_foreach]
```

A diagram showing a call from the function `usb_idesc_foreach` to the function `usb_desc_foreach`. The `usb_idesc_foreach` box is shaded gray, and the `usb_desc_foreach` box is white. A blue arrow points from the right side of the `usb_idesc_foreach` box to the left side of the `usb_desc_foreach` box.
