

ure\_bulk\_write\_callback

```
graph LR; A[ure_bulk_write_callback] --> B[ure_txcsun];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ure\_bulk\_write\_callback'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ure\_txcsun'.

ure\_txcsun
