

ural_bulk_write_callback

```
graph LR; A[ural_bulk_write_callback] --> B[ural_tx_free]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ural_bulk_write_callback'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ural_tx_free'.
