

uhid\_write\_callback

```
graph LR; A[uhid_write_callback] --> B[usb_fifo_get_data_error]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'uhid\_write\_callback'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'usb\_fifo\_get\_data\_error'.
