The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top one contains the text 'vtpci_modern_reinit' on the first line and '_complete' on the second line. The bottom one contains 'vtpci_modern_setup' on the first line and '_interrupts' on the second line. On the right, there is a single gray box with a black border containing 'vtpci_modern_enable' on the first line and '_virtqueues' on the second line. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box.
