The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top one contains the text 'vtpci_modern_attach' and the bottom one contains 'vtpci_modern_driver' followed by a line break and '_added'. On the right, there is a single gray box with a black border containing the text 'vtpci_modern_probe' followed by a line break and '_and_attach_child'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box.
