

vkbd_ioctl

```
graph LR; A[vkbd_ioctl] --> B[vkbd_status_changed];
```

A diagram consisting of two rectangular boxes. The left box is white with a black border and contains the text 'vkbd_ioctl'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'vkbd_status_changed'.

vkbd_status_changed
