

vmxnet3_init

```
graph LR; A[vmxnet3_init] --> B[vmxnet3_reinit_rxfilters]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'vmxnet3_init'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'vmxnet3_reinit_rxfilters'.

vmxnet3_reinit_rxfilters
