

vmci_doorbell_create

vmci_doorbell_destroy

vmci_doorbell_index
_table_remove

```
graph LR; A[vmci_doorbell_create] --> C[vmci_doorbell_index_table_remove]; B[vmci_doorbell_destroy] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. The top box contains the text 'vmci_doorbell_create' and the bottom box contains 'vmci_doorbell_destroy'. On the right, there is a single gray box with a black border containing the text 'vmci_doorbell_index' on the top line and '_table_remove' on the bottom line. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the gray box.
