

`xs_dev_write`

```
graph LR; A[xs_dev_write] --> B[xs_dev_return_error];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text `xs_dev_write`. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text `xs_dev_return_error`.
