

xlnx_pcib_read_config

xlnx_pcib_write_config

xlnx_pcib_req_valid

```
graph LR; A[xlnx_pcib_read_config] --> C[xlnx_pcib_req_valid]; B[xlnx_pcib_write_config] --> C;
```

The diagram consists of three rectangular boxes. On the left side, there are two boxes stacked vertically. The top box contains the text 'xlnx_pcib_read_config' and the bottom box contains 'xlnx_pcib_write_config'. On the right side, there is a single box containing 'xlnx_pcib_req_valid'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the rightmost box. The rightmost box has a light gray fill, while the other two are white with black outlines.
