

gctl\_get\_param

```
graph LR; A[gctl_get_param] --> B[gctl_get_param_flags]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'gctl\_get\_param'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'gctl\_get\_param\_flags'.
