

g_part_gpt_read

```
graph LR; A[g_part_gpt_read] --> B[gpt_matched_hdrs];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'g_part_gpt_read'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'gpt_matched_hdrs'.
