

g_down_procbody

```
graph LR; A[g_down_procbody] --> B[g_io_schedule_down]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'g_down_procbody'. The right box is white with a black border and contains the text 'g_io_schedule_down'. A blue arrow points from the right side of the left box to the left side of the right box.
