

g_raid_tr_iostart_raid1

```
graph LR; A[g_raid_tr_iostart_raid1] --> B[g_raid_tr_iostart_raid1_write];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'g_raid_tr_iostart_raid1'. The right box is gray with a black border and contains the text 'g_raid_tr_iostart_raid1' on the top line and '_write' on the bottom line. This indicates that the function 'g_raid_tr_iostart_raid1' is defined in the file 'g_raid_tr_iostart_raid1_write'.

g_raid_tr_iostart_raid1
