

geom/virstor/binstream.h

```
graph BT; A[geom/virstor/binstream.h]; B[geom/virstor/binstream.c] --> A; C[geom/virstor/g_virstor_md.c] --> A;
```

The diagram illustrates the dependencies of the header file `geom/virstor/binstream.h`. It is shown at the top in a grey box. Two arrows point upwards to it from two source files below: `geom/virstor/binstream.c` on the left and `geom/virstor/g_virstor_md.c` on the right. Both source files are in white boxes with black borders.
