

g_raid_md_write_intel

A diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'g_raid_md_write_intel'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'intel_set_vol_curr' on the top line and '_migr_unit' on the bottom line.

intel_set_vol_curr
