

g_io_check

```
graph LR; A[g_io_check] --> B[g_io_transient_map_bio]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'g_io_check'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'g_io_transient_map_bio'.

g_io_transient_map_bio
