

fail(9) Facility

```
graph LR; A[Private fail(9) Implementation functions] --> B[fail(9) Facility]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text "fail(9) Facility". The box on the right is white with a black border and contains the text "Private fail(9) Implementation functions" on two lines. A black arrow points from the right side of the white box to the left side of the gray box.
