

sysctl_kern_function_list

```
graph LR; A[sysctl_kern_function_list] --> B[sysctl_kern_function_list_iterate]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'sysctl_kern_function_list'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'sysctl_kern_function_list_iterate'.
