

fail\_point\_alloc\_callout

```
graph LR; A[fail_point_alloc_callout] --> B[callout_init]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'fail\_point\_alloc\_callout'. The right box is white and contains the text 'callout\_init'. A blue arrow points from the right side of the gray box to the left side of the white box.

callout\_init
