

fail\_point\_setting\_new

```
graph LR; A[fail_point_setting_new] --> B[fail_point_setting_garbage_append]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'fail\_point\_setting\_new'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'fail\_point\_setting\_garbage\_append'.
