

pts_kqops_write_event

```
graph LR; A[pts_kqops_write_event] --> B[ttydisc_rint_poll]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'pts_kqops_write_event'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'ttydisc_rint_poll'.

ttydisc_rint_poll
