

exec\_shell\_imgact

imgact\_binmisc\_exec

exec\_args\_adjust\_args

```
graph LR; A[exec_shell_imgact] --> C[exec_args_adjust_args]; B[imgact_binmisc_exec] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'exec\_shell\_imgact' and the bottom box contains 'imgact\_binmisc\_exec'. On the right, there is a single, wider box containing the text 'exec\_args\_adjust\_args'. Two blue arrows originate from the right side of the two boxes on the left and point towards the left side of the box on the right, indicating a flow or relationship from the left boxes to the right box.
