

iconv\_converter\_handler

```
graph LR; A[iconv_converter_handler] --> B[iconv_unregister_converter]
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'iconv\_converter\_handler'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'iconv\_unregister\_converter'.
