

ieee80211_ifattach

```
graph LR; A[ieee80211_ifattach] --> B[ieee80211_regdomain_attach]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ieee80211_ifattach'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ieee80211_regdomain_attach' on two lines.
