

ieee80211_allmulti

```
graph LR; A[ieee80211_allmulti] --> B[ieee80211_runtask]
```

A diagram showing a pointer relationship between two variables. On the left is a gray rectangular box containing the text 'ieee80211_allmulti'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right containing the text 'ieee80211_runtask'. Both boxes have a black border.

ieee80211_runtask
