

ieee80211_beacon_update

```
graph LR; A[ieee80211_beacon_update] --> B[ieee80211_mesh_update_beacon]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ieee80211_beacon_update'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ieee80211_mesh_update_beacon' on two lines.
