

get_le32

```
graph LR; A[get_le32] --> B[get_le32_split]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'get_le32'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'get_le32_split'.
