

bar_tx_complete

```
graph LR; A[bar_tx_complete] --> B[bar_stop_timer]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'bar_tx_complete'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'bar_stop_timer'.
