

ieee80211_find_node
_locked

```
graph LR; A[ieee80211_find_node_locked] --> B[ieee80211_ref_node]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'ieee80211_find_node' on the top line and '_locked' on the bottom line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'ieee80211_ref_node'.
