

ng_bytearray_getDefault

```
graph LR; A[ng_bytearray_getDefault] --> B[ng_array_getDefault]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ng_bytearray_getDefault'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ng_array_getDefault'.
