

ng_tee_close

ngp_shutdown

ng_bypass

```
graph LR; A[ng_tee_close] --> C[ng_bypass]; B[ngp_shutdown] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box is white with a black border and contains the text 'ng_tee_close'. The bottom box is also white with a black border and contains the text 'ngp_shutdown'. On the right, there is a single gray box with a black border containing the text 'ng_bypass'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the gray box.
