

siftr_load_handler

```
graph LR; A[siftr_load_handler] --> B[init_siftr];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'siftr_load_handler'. The right box is gray with a black border and contains the text 'init_siftr'. A blue arrow points from the right side of the left box to the left side of the right box.

init_siftr
