

toecore\_mod\_handler

```
graph LR; A[toecore_mod_handler] --> B[toecore_load];
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'toecore\_mod\_handler'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'toecore\_load'.
