

find_and_ref_tcp_functions

```
graph LR; A[find_and_ref_tcp_functions] --> B[find_tcp_functions_locked]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'find_and_ref_tcp_functions'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'find_tcp_functions' on the top line and '_locked' on the bottom line.
