

tcp\_hc\_getmtu

```
graph LR; A[tcp_hc_getmtu] --> B[tcp_hc_lookup]; B --> C[tcp_hc_cmp];
```

A flowchart illustrating the sequence of TCP header checksum functions. It consists of three rectangular boxes arranged horizontally from left to right. The first box, labeled 'tcp\_hc\_getmtu', has a light gray fill and a black border. A blue arrow points from its right side to the second box, labeled 'tcp\_hc\_lookup', which is white with a black border. Another blue arrow points from the right side of the second box to the third box, labeled 'tcp\_hc\_cmp', which is also white with a black border.

tcp\_hc\_lookup

tcp\_hc\_cmp
