

netdump\_ioctl

```
graph LR; A[netdump_ioctl] --> B[netdump_write_headers]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'netdump\_ioctl'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'netdump\_write\_headers'.

netdump\_write\_headers
