

crypto_find_device
_byhid

```
graph LR; A[crypto_find_device_byhid] --> B[crypto_checkdriver]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'crypto_find_device' on the top line and '_byhid' on the bottom line. The right box is white with a black border and contains the text 'crypto_checkdriver'. A blue arrow points from the right side of the left box to the left side of the right box.
