

AES_CBC_MAC_Final

```
graph LR; A[AES_CBC_MAC_Final] --> B[xor_and_encrypt]
```

A flowchart with two rectangular boxes. The left box is shaded gray and contains the text 'AES_CBC_MAC_Final'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'xor_and_encrypt'.

xor_and_encrypt
