

scsi_initialize_element
_status

```
graph LR; A[scsi_initialize_element_status] --> B[cam_fill_csio]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'scsi_initialize_element' on the top line and '_status' on the bottom line. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'cam_fill_csio'.

cam_fill_csio
