

print\_link\_info

```
graph LR; A[print_link_info] --> B[lio_ifstate_check]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'print\_link\_info'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'lio\_ifstate\_check'.
